ABOUT THE MEETING

Welcome to the 2020 edition of the SG-CMR Webinar. The aim of this webinar is to bring together everyone interested in cardiovascular magnetic resonance (CMR) imaging. In this meeting, one invited guest speaker will give a talk on clinical CMR imaging and this will be followed by two interesting clinical CMR cases. The webinar is intended to be informal and interaction will be encouraged.

PROGRAMME

- | | |
|------|--|
| 1900 | Welcome |
| 1905 | Quantitative cardiac phenotyping using cardiovascular magnetic resonance imaging
